

REFERENCE LETTER

Daimler Real Estate GmbH expresses its deepest gratitude to "HSR" LLC for the professional execution of all complex tasks during the recent completion of the new Mercedes-Benz Showroom at Leningradsky prospect, 39A, 125167 Moscow, Russia

In the process there were unexpected obstacles which challenged the team. However, with the available qualifications and expertise, well-coordinated and effective staff work, the company was able to overcome and realize all non-standard, innovative architectural and technical solutions making the space futuristic and breath-taking.

Exclusive quality and attention to detail identifies the brand "Mercedes-Benz". In the same way the highest quality standards for the furniture and interior solutions surrounding our cars were set. As a result of cooperation we can confidently affirm that the company "HSR" managed to handle with implementing every requirement and proved itself as a reliable and highly professional partner, able to take responsibility until the final result. "HSR" LLC incorporates flexibility, efficiency and consistency in the resolution of all issues without exception. In addition, we want to highlight the sincerity and assistance in all matters, which proved extremely beneficial in the resolution of many issues.
